

**Project Development Phase  
Model Performance Test**

|               |                                                                                   |
|---------------|-----------------------------------------------------------------------------------|
| Date          | 30 September 2026                                                                 |
| Team ID       | Individual                                                                        |
| Project Name  | Streamlining IT Procurement: Automating Standard Laptop Orders with Flow Designer |
| Maximum Marks |                                                                                   |

**Model Performance Testing:**

Project team shall fill the following information in model performance testing template.

| S.No. | Parameter                   | Screenshot / Values                                              |
|-------|-----------------------------|------------------------------------------------------------------|
| 1     | Data Rendered               | Not applicable — no Power BI dashboard.                          |
| 2     | Data Preprocessing          | Not applicable — ServiceNow platform workflow processes records. |
| 3     | Utilization of Data Filters | Not applicable to core workflow.                                 |
| 4     | DAX Queries Used            | None.                                                            |
| 5     | Dashboard design            | No Power BI visualizations; ServiceNow UI used.                  |
| 6     | Report Design               | No Power BI report; ServiceNow records/evidence used.            |
